

Guidelines for Guest Posting with USSS

Thank you for your interest in guest blogging for USstoragesearch.com. We look forward to working with you.

We have established a few guidelines for our guest post stories:

- 1) All articles must be original and cannot be previously published elsewhere.
- 2) Posts need to be between 300-600 words.
- 3) Any submitted pictures must be legal to share and properly licensed.
- 4) ALL articles MUST be submitted with author's: first and last name, a contact email address, and account names for Twitter, Facebook, and G+.
- 5) There is a max of 2 backlinks per article.
- 6) If a submitted story includes one or more backlinks, the author and/or organization MUST post socially about the guest blog post with links to the posted blog and/or USSS homepage on their social media outlets for the guest post to remain live. If this is not completed in a legitimate fashion within 48 hours, the story will be pulled.
- 7) We reserve the right not to publish articles that do not pertain to appropriate topics and/or do not match our standards for publication.
